Please take a minute to tell a friend about this event - we look forward to seeing you on August 1st.

WHAT ARE WE FUNDRAISING FOR?

We are fundraising through the Catastrophic Injury Program of NTAf to raise money for Larry's uninsured medical costs. Funds raised through this event will go to pay for caregiving costs - Larry needs assistance 24 hours a day! He is also in need of a \$60,000 surgery to remove a cyst and scar tissue that are not only preventing

Larry from meaningful recovery in the area above his injury, but leave him in immense pain and discomfort in parts of this body that he cannot otherwise feel.

If you are unable to attend, but would like assist Larry with a donation, please visit his blog for information on "how to help".
